Crazy Love

Francis Chan

It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go

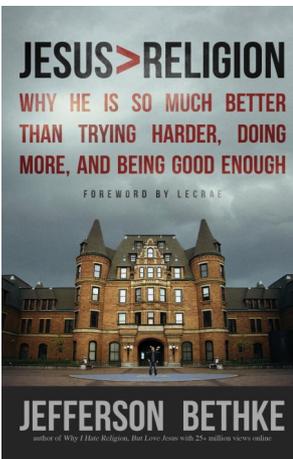

to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong.

Neil T. Anderson

of darkness attack us daily. But, as Dr. Neil Anderson shows in *Victory Over the Darkness*, you can have the power to conquer them by knowing who you are in Christ.

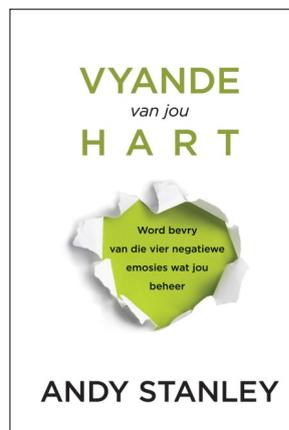

The World-Tilting Gospel

Dan Phillips

The first generation of Christians were ridiculed and persecuted, yet they turned the world upside down. Their message was communicated louder and clearer than any message before or since. Today's Christians fail to communicate as effectively as the first followers of Christ. Simply put, the early church turned the world upside down, but today's church has been turned upside down by the world.

In *Vyande van jou hart* bied Andy praktiese Bybelse raad en 'n besprekingsgids om jou te help om beheer te neem van die gevoelens wat jou kan beheer en so jou lewensuitkyk en verhoudings te herstel.
